

Shorthorn Association News

AUGUST 1962

MIND IF WE JUST TALK PLAIN?

By: Ted Aegerter
Assistant Secretary

Going down the road—across any and many states, the same time-worn practices and principles still breed success for the cattleman.

Attractive road signs, well-kept fences, well-managed pastures. These are not the mark of a wealthy man necessarily, but rather of a cattleman that takes pride in his business. Successful? He usually is.

Standing back of the productivity of his cattle, giving a hand to new or young breeders in the community, exhibiting at fairs, county fair level and up, must you be rich to do this? No, but if you do this, you will find yourself in league with the

breeder who commands respect, and more dollars for his cattle.

New ideas? — hardly, but more sound business principles have never been written.

If you are practicing the above, fine. If you are not, chances are you are unhappy with what you are getting done in the Shorthorn and Polled Shorthorn business.

Why not give it a try? You might surprise even yourself!

EDITORS NOTE: *Ted Aegerter was recently appointed by the Board of Directors as Assistant Secretary of the American Shorthorn Association. Our congratulations to you, Ted.*

Recent Action Taken By Board of Directors

In a recent resolution voted by the Board of Directors the following rules have been inaugurated:

"Beginning January 1, 1963, Shorthorn or Polled Shorthorn cattle or their progeny bred outside of North America will not be recorded by the American Shorthorn Association. This condition also exists: Any cattle purchased for importation by a resident of the United States or Canada prior to that date must have been declared and registration of same applied for to the American Shorthorn Association or the Canadian Livestock Registry also before January 1, 1963."

The action will have the following results:

After January 1, no cattle bred outside North America (the United States and Canada) will be eligible for transfer into the American Shorthorn Herd Book.

Cattle now in transit or awaiting shipment to America will not be affected. Current transfer rates for imported cattle will remain in effect.

Cattle may be purchased for import until January 1, 1963. Transfer will be permitted into the American Herd Book providing that American Shorthorn officials or Canadian Livestock Registry officials have been advised of the purchase and impending import.

No cattle purchased for import outside North America after January 1, 1963, will be recorded in the American Herd Book.

Cattle purchased after January 1, 1963, and imported to Canada may not later be imported to the United States and be entered in the American Herd Book.

The American Shorthorn Association, however, will accept Canadian Livestock Registry records and will permit transfer of non-North American cattle to the American Herd Book if they were purchased by a Canadian before January 1, 1963, and subsequently imported to that country. Therefore, this will not affect the future sale to American citizens of imported cattle which are already in Canada.

Herd Classification

Board Members agreed to start an American Herd Classification program at once. The plan will be similar to that now carried on in Canada. The American Shorthorn Association scorecard has been mailed to all members of the Association. To inaugurate the program a series of clinics will be held throughout the United States to explain the plan and to demonstrate actual classification of a herd. The first clinic will be held October 7th at Melbourne Farm, Big Rock, Illinois. The Association will hire a full-time fieldman-classifier who will be thoroughly trained before the program begins.

Careless Tattooing

In other business the Board voted unanimously to penalize breeders who do not tattoo animals or who do it in a careless fashion. A \$3 fine

will be assessed against the breeder for each reported instance of violation. Association rules provide that every animal must be tattooed to be eligible for registry. This action was brought about by the fact that many new buyers have recently found that tattoos are missing, illegible or incorrect.

Fertility Test

The Board also instructed that in all future sales managed by the American Shorthorn Association it will be mandatory that all bulls be fertility tested. This move was made in an effort to assure buyers of Shorthorn and Polled Shorthorn bulls maximum protection as well as providing more information for the seller.

COMING EVENTS . . . September

- September 1 —The Western North Carolina Shorthorn & Polled Shorthorn Sale, Asheville, North Carolina.
- September 1-6 —Nebraska State Fair, Lincoln.
- September 3-8 —South Dakota State Fair, Huron.
- September 4-8 —Ohio State Shorthorn-Polled Shorthorn Futurity, Medina County Fair, Medina. Shorthorn and Polled Shorthorn judging, September 6th.
- September 5 —Buckhorn Ranch Shorthorn Dispersion, Colchester, Illinois.

Shorthorn Lassie News

Starry eyes and broad Lassie smiles enlighten the faces of a number of young ladies who have recently been crowned Shorthorn Lassie Queens in their respective states. These girls will begin at once to acquaint themselves with their responsibilities to serve adequately in this capacity. Donning the official Lassie costume they will appear on TV and radio programs, and go to as many Shorthorn shows, sales, farm meetings, etc., that it is possible for them to attend. Through their activities they will bring many, many dollars worth of publicity for our favorite breed of cattle. . . . SHORTHORNS.

Miss Janet Dee Kanago, daughter of Mr. and Mrs. Wm. Kanago of Webster, South Dakota, will reign as 1962 Lassie Queen in her state. Assisting her as alternate Queen will be Miss Eileen Kelsey of Fedora, South Dakota.

At the Illinois State Picnic held at Questing Hills, Chandleville, Illinois, home of Mr. and Mrs. Edward Long, the University of Illinois judging team selected Miss Kay Chaney, Arcola, Illinois, as the new Lassie Queen. Miss Diana Down, Wyoming, Illinois, and 1961 Lassie Queen, presented Miss Chaney with a bouquet of red and white carnations.

Miss Bernadette Skaggs, Merino, Colorado, will be presenting ribbons at shows and sales throughout her state in the near future as she has begun her reign as Lassie Queen. She was selected by a panel of men, composed of a newspaper reporter, a radio farm director and a commercial Shorthorn breeder.

Waving the banner for Shorthorns in Nebraska will be Miss Jane Ann Buller, 1962 Lassie Queen. Miss Buller is the daughter of Mr. and Mrs. Arnold Buller, Utica, Nebraska.

Tennlea Farm, Murfreesboro, Tennessee, was the setting for the annual Tennessee Field Day with Mr. and Mrs. John Blankenship as hosts. At this event a glittering crown was placed on the head of Miss Sue Davis, daughter of Mr. and Mrs. Thurston Davis, Dunlap, Tennessee, after she was voted Lassie Queen by the group. Wearing a cape of Lassie plaid, she was presented a bouquet of red and white carnations by Miss Mary Ann Blankenship, the 1961 Queen. Miss Anne Moore, daughter of Mr. and Mrs. J. C. Moore, Springfield, was named alternate.

Traveling through the state of Indiana promoting Shorthorns this year will be Miss Joan Creek, daughter of Mr. and Mrs. Allen Creek, Liberty, Indiana. Miss Creek represents the fourth generation of her family to have been associated with purebred Shorthorn cattle.

Our National Lassie President, Mrs. Berl Wilson, attended the 39th Annual National Livestock and Meat Board meeting as a guest. Held in Chicago this was a two day meeting and according to Mrs. Wilson, was well planned and very educational. Mr. L. E. Mathers, Sr. has just completed a term as a director of the Board. The beef committee of the Meat Board has available stickers for cars or trucks. They are entitled, "Eat More Beef" and may be had for the asking.

Mr. and Mrs. Roger Megard, Sherman, South Dakota, have a new addition to their family. Receiving a royal welcome is a new son, Danny.

Prospective Shorthorn Breeder? Mrs. Megard is president of the South Dakota Lassies.

Our American Shorthorn Association has a most attractive and useful booklet, "Outdoor Cookery." Do you have a copy?

The Nebraska Lassies are busy with the project of selling their cook-books. At last count they had sold 500 copies.

The Shorthorn Lassies who have worked with Bob Heine wish him success in his new endeavor, but would like him to know that appreciation is in order for all the help he has so willingly given at the International and many other shows. All Shorthorn and Polled Shorthorn people will miss his enthusiasm and interest. Best of luck Mr. Heine from the Lassies!

FIELD REPRESENTATIVE RESIGNS

There comes a time in every man's life when he has to make a decision and that time has arrived for me. I have resigned as Field Representative for the American Shorthorn Association and have joined the Tropic Isles Retirement Development Organization, known as the Suburban Corporation of Fort Myers, Florida.

This organization is made up of three former Shorthorn breeders; namely, Gerald Moody of Fort Myers as president, J. W. Goode also of Fort Myers as executive vice-president and R. G. Heine as vice-president. This suburban corporation consists of well over one thousand acres located just across the Caloosahatchee River north of Fort Myers.

There are at present over three hundred homes, a shopping center and both grade and high schools. Some of the world's best fishing, golfing and a year around water sports makes this an ideal place for retirement homes.

I have enjoyed every day of my association with the American Shorthorn Association as Field Representative and have met a wonderful group of people and there are none better. Laura and I want to take this opportunity to thank each and everyone of you for your kind hospitality and cooperation shown us for the past seven years while your Fieldman and wish you nothing but the best in years to come. You have the world's best breed of cattle and with full cooperation from all, nothing but success is in store.

I shall always have a warm spot in my heart for you Shorthorn breeders and if I can be of assistance, hope all will feel free to call on me.

We also want to take this opportunity to extend to each and everyone of you an invitation to visit us at Tropic Isles and if you have any intention of retiring in the Land of the Sun, I am certain you will find this to your liking.

R. G. Heine

THE PATCHES ARE AVAILABLE TO STATE SHORTHORN OR POLLED SHORTHORN ASSOCIATIONS AND STATE LASSIE CHAPTERS IN LOTS OF 100 OR MORE FOR 35 CENTS EACH OR IN SINGLE LOTS AT 50 CENTS EACH. JUNIOR MEMBERS MAY ORDER DIRECT FROM THE ASSOCIATION.

Field Day and Show News

The Eaton County Shorthorn Breeders Association members played hosts to Michigan Shorthorn Breeders Association members recently at the Eaton County 4-H Fairgrounds for the annual Field Day and Picnic. Dr. Quinn, Head of the Michigan State Animal Clinic, spoke of health requirements on show animals for local and state shows. Ann Osburn of Corunna was chosen Lassie Queen for her state and will be crowned by last year's Queen, Sally Wetzel of Ithaca, at the Michigan State Fair on show day.

The Iowa Polled Shorthorn Picnic was held at Clara Willhoite & Sons farm recently. The Willhoites of Wall Lake, Iowa, displayed 200 head of Polled Shorthorns descended from a single cow purchased 49 years ago. The livestock and grain handling facilities were explained and demonstrated.

The North Central Iowa Shorthorn Association held its annual Field Day and Picnic at the Bob Johnson farm, Latimer, Iowa. Millard McNutt, president of the association, welcomed members and guests. W. G. Harold, Lime Springs, Iowa, was awarded a prize for the oldest Shorthorn breeder present. Prizes bearing Shorthorn emblems were awarded the winners of the livestock judging contest and the weight judging contest. Bob Johnson gave the visitors a tour of his operation and showed them his purebred Shorthorn cow herd. Plans are under way for a Shorthorn Club Calf Sale on December 8th. The North Central Iowa Shorthorn Lassies held their third annual meeting while in attendance at the field day and picnic.

Pam Taylor, daughter of Mr. and Mrs. Jerry Taylor, Prairie City, Illinois, showed the Grand Champion Senior heifer calf over all breeds, Grand Champion yearling heifer over all breeds and the Grand Champion cow over all breeds at the McDonough County 4-H and Junior Show at Macomb, Illinois, July 25th. There were 130 head of beef cattle shown. Our congratulations to you, Pam.
